

Smithers-Oasis

Oasis® Growing Medium Makes It Easy To Grow

Oasis Growing Medium minimizes the need for dibbling and directs root growth downward.

- Engineered optimum balance of air and water
- Low cation exchange capacity allows rapid nutrient availability without danger of salt accumulation
- Stabilized pH (5.5-6.5)
- Ready to use
- Inert and sterile when received, free of pathogens
- Faster rooting
- A small amount of 1-1-1 nutrition serves as a plant starter
- Special additive to enhance cation exchange
